La casa de Bernarda Alba (Literature Study)

I have studied an authentic Spanish play – La Casa de Bernarda Alba.
I understand the historic references of the role of Woman in Spain in the 1930s.
I can discuss the plot of the play in depth and analyse the themes.

Trip to Spain

Young People in Spain and Latin America (Political life in Hispanic Society)

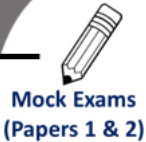

What is the political orientation of young people in different Hispanic countries?
I can discuss the issues of unemployment
What are the aspirations of the young people of today?

Future Opportunities

- **University** - Language degree or mixed degree. Popular options include pairing Spanish up with another subject.
- **Gap year & travel** - there are 21 countries around the world that speak Spanish (that's more than the amount that speak English!)
- **Volunteer work** - South America is a popular destination for volunteer work: Medics without borders, areas of poverty or after natural disasters.

Individual Research Project preparation (Paper 3)

Coexistence and Integration (Multiculturalism in Hispanic Society)
How do immigrants integrate in Spanish society?
How do different social groups coexist?

Mock Exams (Papers 1 & 2)

Monarchies, Republics and Dictatorships (Political life in Hispanic Society)

I know about Franco's dictatorships and the impact it had on Spain.
How has the Spanish Monarchy changed over the last 100 years?
I have an understanding about famous Latin American dictatorships.
