Dear Parent/Carer

I hope you are well. I would like to advise you on the upcoming Year 13 examinations for A Level, GCSE resit and BTEC Level 3, for Year 13. As we enter the examination season it is vital that your child attends Sixth Form for all of their lessons and arrives promptly at the start of each day for 8:30am. Students have a study room where they can carry out revision and preparation for these examinations whilst also benefiting from being able to go and speak to subject teachers if required.

We aim to provide revision sessions on the day before or the morning of each examination for last minute preparation going into each exam. It is vital that your child is in Sixth Form even when they do not have a timetabled lesson as this can be used as a revision session.

Please see attached the examination timetable. It would be greatly appreciated if you could sit down with your child and go through it together, highlighting all of their examinations so that they know exactly when they are. If your child has been entered for a re-sit examination for their Level 3 BTEC you will receive a text message to notify you of this in the next day or so, however your child is aware. It is important that your child creates themselves a revision timetable and prioritises the topics they are unsure on as well as the order in which examinations will be undertaken.

I would like to thank you once again for your continued support as we enter this period. If you have any queries or concerns please do contact one of the team.
