7th June 2022

Dear Parent/Carer

Thank you for your continued support throughout this academic year so far with your child's Sixth Form studies. As we are fast approaching the end of term it is vital that we track your child's progress effectively in each of their chosen subjects. As a result, **students have a suite of mock examinations starting on Monday 13th June 2022**. Students have already been made aware of this at the start of last term.

To ensure your child can successfully progress on to Year 13 at our Sixth Form they must complete the mock examinations for the subjects they currently study at A Level, and for those that study BTEC subjects, students must be up to date with all coursework deadlines.

Furthermore, based on your child's performance in their mock examinations, as well as any coursework deadlines, will determine which date they break up for summer holidays:

- If your child is **underperforming in their mock examinations or not up to date with any coursework deadlines**, they will be required to attend Sixth Form up until Tuesday 19th July 2022 for **intervention** with their class teacher;
- If your child **performs to an appropriate standard in their mock examinations and is up to date with all coursework deadlines**, they will finish for summer on Tuesday 12th July 2022.

Please see mock examination timetable on reverse. If you are unsure of any coursework deadlines that your child is required to meet, please do not hesitate to contact their subject teacher, form tutor or one of the Sixth Form Team.

Thank you for your continued support on the above matter.

Yours faithfully
