Dear Parent/Carer

The online world is posing an ever-increasing risk to children, and it is important that we all work together to play an active role in educating children to stay safe online. I am conscious that young people will be spending a lot more time online during the imminent summer break and wanted to share an online safety update with you all.

As part of our commitment to digital safeguarding we have recently formed a partnership with **National Online Safety**, an award-winning app and website that promotes digital safety.
