

YEAR 11 INFORMATION BOOKLET

TO **ACHIEVE SUCCESS,**
START **REVISING EARLY**

YEAR 11 KEY DATES

DATE	ACTIVITY
Wednesday 27 th September 2023	Yr11 Information Evening – Study Skills
Monday 23 rd October 2023 – Thursday 26 th October 2023	Revision week in school for mocks
Monday 30 th October 2023 – Friday 3 rd November 2023	October Half Term – Interventions
Tuesday 7 th November 2023 – Friday 17 th November 2023	Mock exams (1 st set)
Thursday 14 th December 2023	Year 11 progress evening
Monday 5 th February 2023	External company in school showing students the best strategies for revision. Evening session available for parents/ carers to attend.
Monday 12 th February 2024 – Friday 16 th February 2024	February Half Term – Interventions
Monday 19 th February 2024	Revision Week in school for mocks
Monday 26 th February 2024 – Friday 8 th March 2024	Mock exams (2 nd set)
Monday 1 st April 2024 – Friday 12 th April 2024	Easter Holiday Holidays – Interventions
Thursday 9 th May 2024	Provisional date for start of GCSE's

***Please don't book any holidays during exam season. GCSE exams can go on until the last day in June. Exam timetable will be confirmed later in the school year.**

YEAR 11 KEY INFORMATION 2023-24

Spring HT1 knowledge

Foundation Tier:

- Pythagoras
- Trigonometry
- Sampling
- Averages
- Averages from a Table
- Frequency Diagrams
- Scatter Graphs
- Time Series
- Pie Charts

Higher Tier:

- Functions
- Algebraic proof
- Vectors

Spring HT2 knowledge

- Revision based on gaps identified following the mock exams

Revision

Topic Specific Revision and Homework:

[Sparx - Ormiston Bolingbroke Academy \(sparxmaths.uk\)](https://www.sparxmaths.uk)

Past Papers:

SUBJECT	DANCE
Exam board	Pearson
Number of exams and length of time	<p>Three, one hour controlled assessments</p> <p>Continuous assessment in practical classes-filming</p> <p>Controlled assessment- theory portfolio</p>
Overview of course	<p>Year 11 Content</p> <p>Autumn HT1 Knowledge:</p> <ul style="list-style-type: none"> ● Component 2- DEVELOPING SKILLS AND TECHNIQUES IN THE PERFORMING ARTS (internally assessed) ● Skills Audit ● Target setting ● Warm up- devised to prepare for dance in a particular style ● Log Books ● Learning of selected repertoire <p>Autumn HT2 knowledge:</p> <ul style="list-style-type: none"> ● Component 2- DEVELOPING SKILLS AND TECHNIQUES IN THE PERFORMING ARTS (internally assessed) ● Skills Audit- development logging ● Target review ● Log Books ● Preparing selected repertoire for performance ● Performance to a live audience <p>Spring HT1 knowledge:</p> <ul style="list-style-type: none"> ● Component 3- RESPONDING TO A BRIEF (externally assessed) ● Receive stimulus and groupings from the exam board ● Plan 10-minute choreography ● Select professional practitioners to support choreographic approach ● Begin to devise choreography ● Controlled assessments 1 and 2 <p>Spring HT2 knowledge:</p> <ul style="list-style-type: none"> ● Component 3- RESPONDING TO A BRIEF (externally assessed) ● Create, select and refine choreography ● Review progress ● Use professional practitioners' choreographic approaches to develop own ideas ● Prepare choreography for performance ● Complete controlled assessment 3
Revision	<p>Component 3- RESPONDING TO A BRIEF (externally assessed)</p> <p>Research and review chosen practitioner for both repertoire and to develop own choreography</p> <p>Review notes from log book of the development of own work</p> <p>Ensure understanding of selected choreographic intention and approaches and influences</p>

YEAR 11 KEY INFORMATION 2023-24

SUBJECT	DRAMA
Exam board	Edexcel/Pearson
Number of exams and length of time	<p>Component 3: Theatre Makers in Practice (40%) - written exam - summer 2024 - 1 hour 45 minutes</p> <p>Section A: The Crucible</p> <ul style="list-style-type: none"> ● 4 marker ● 6 marker ● 9 marker ● 12 marker ● 14 marker <p>Section B: Live Theatre Review</p> <ul style="list-style-type: none"> ● 6 marker ● 9 marker <p>Component 2: Text in Performance (20%) - this is a performance - January/ February 2024</p> <ul style="list-style-type: none"> ● A visiting examiner will come into school, and you will have to perform live. You do not find out the marks for this component until you receive your overall grade in the summer.
Overview of course	<p>Year 11 Content</p> <p>Autumn HT1 Knowledge: throughout the first half term we will split our lessons to work across different components in the course.</p> <p>Component 3: Theatre Makers in Practice:</p> <ul style="list-style-type: none"> ● Section A: The Crucible - exploring the play practically looking at Acts Three and Four, annotating the text, developing ideas for design elements such as set, costume, lighting, sound, and staging ● You will also be continuing to develop how to structure written responses, and complete timed questions. Students will have a homework booklet and be expected to answer questions every week. ● Section B: Live theatre review - we have 2 performances planned Metamorphosis on Thursday 19th October and The Woman in Black on Thursday 7th December - you will make notes for each performance and use these to answer section B questions. <p>Component 2: Text in Performance</p> <ul style="list-style-type: none"> ● You will start to develop your performances in either a group, a duologue or a monologue ready for your exam at the end of January or beginning of February 2024. ● Activities during lessons will explore - learning lines, annotating scripts, developing your character, blocking scenes, and rehearsing. <p>Autumn HT2 knowledge: Component 2:</p> <p>Component 1: Devising (40%) - portfolio 2000 words - this is worth 30 marks out of a total of 60</p> <ul style="list-style-type: none"> ● You will re-visit your portfolio after completing your first draft at the end this term ● You will have until Christmas to make any final changes to your portfolio <p>Component 2: Text in Performance</p> <ul style="list-style-type: none"> ● Activities during lessons will explore - learning lines, annotating scripts, developing your character, blocking scenes, and rehearsing. There will need to be a commitment to attending enrichment each week for a period leading up to the performance examination to fully prepare students. <p style="text-align: right;"><i>See next page</i></p>

YEAR 11 KEY INFORMATION 2023-24

SUBJECT	DRAMA
Overview of course	<p>Spring HT1 knowledge: Text in Performance exam is likely to take place here. Once we have confirmed a date with the exam board, we will communicate this to parent.</p> <p>Component 3: Theatre Makers in Practice:</p> <ul style="list-style-type: none">● Section A: The Crucible – structuring written responses, and timed questions and developing good exam habits.● Section B: Live theatre review – finalising 500 words of notes that can be taken into the written examination and structuring answers and completing timed questions. <p>Spring HT2 knowledge:</p> <p>Component 3: Theatre Makers in Practice – written exam</p> <ul style="list-style-type: none">● Timed questions● Subject specific terminology quizzes● Studying full mark responses
Revision	<p>The Crucible Revision Guide</p> <p>https://www.cgpbooks.co.uk/secondary-books/gcse/drama/dmpc41-gcse-drama-play-guide-the-crucible</p> <p>Students should use their knowledge organisers and booklets they have been given in class to revise for their written examination.</p>

YEAR 11 KEY INFORMATION 2023-24

SUBJECT	BTEC TECH AWARD IN ENTERPRISE
Exam board	BTEC/Pearson
Number of exams and length of time	1 exam - promotion and finance. This exam is 40% of your overall grade. 2 hours in duration. Sat in year 11. You can sit this exam twice with your last mark counting towards your overall grade.
Overview of course	Year 10 content <ul style="list-style-type: none">● In year 10 students completed the PSA (Pearson Set Assignment) for component 2 of the course with their project on business planning.
	Year 11 Content Autumn HT1 Knowledge: <ul style="list-style-type: none">● Final preparation for the PSA for component 1 (Investigating Business).● Re-submit PSA for component 2 for those who could have performed better on this task in year 10.
	Autumn HT2 knowledge: <ul style="list-style-type: none">● Sit and submit PSA for component 1 (Investigating Business)
	Spring HT1 knowledge: <ul style="list-style-type: none">● Preparation for exam - introduction to exam content. Sit mock exam (promotion and finance)
	Spring HT2 knowledge: <ul style="list-style-type: none">● Revision and preparation for exam (promotion and finance)

See next page

Revision**Key topics and what you need to know:****Financial documents**

- The 7 main financial documents
- What order they happen
- Who sends each document
- What is the purpose of each document
- How to complete semi completed documents
- Why it is important that financial documents are accurate

Statement of comprehensive income (Profit & Loss)

- What is it
- Gross profit formula
- Net profit formula
- How to improve profit

Statement of financial position (Balance sheets)

- Different assets and liabilities
- Net current assets formula
- Ratios

Promotional mix

- What are the 5 elements of the promotional mix
- Provide examples of techniques within each element
- Identify advantages and disadvantages of these techniques

Payment methods

- What are the main methods of payment, specifically knowing direct debit
- How each payment method works
- What are the advantages of each method
- What are the disadvantages of each method

Break even

- What is break even
- What is margin of safety
- Be able to complete/label a break chart
- Benefits of break even
- Drawbacks of break even

Costs & Revenue

- What are fixed costs – definition and examples
- What are variable costs – definition and examples
- What is the formula for total costs
- Be able to calculate total costs
- What is revenue with examples
- Formula for revenue

6 markers**Use the structure below:**

- Introduction (what you will be doing in the answer)
- Option 1 Advantages – identify and explain the advantages of using this option for the business. Refer back to impact on the business from the scenario.
- Option 1 Disadvantages – identify and explain the disadvantages of using this option for the business. Refer back to impact on the business from the scenario.
- Option 2 Advantages – identify and explain the advantages of using this option for the business. Refer back to impact on the business from the scenario.
- Option 2 Disadvantages – identify and explain the disadvantages of using this option for the business. Refer back to impact on the business from the scenario.
- Conclusion – summarise your points and add your opinion. Make sure you give recommendations on which option you have gone for and why.

YEAR 11 KEY INFORMATION 2023-24

SUBJECT	BUSINESS (GCSE)
Exam board	Edexcel
Number of exams and length of time	2 Exams in May/June Each exam 90 minutes long
Overview of course	<p>Year 10 content</p> <ul style="list-style-type: none">● Customer needs● Market research (including primary and secondary research, quantitative and qualitative data)● Market segmentation● Market maps● The competitive market● Business aims and objectives● Revenue, cost and profit (including calculations)● Break even (including break even graphs)● Cash flow forecasting● Sources of business finance● Business ownership (including sole trader, partnership, private limited company and public limited company)● Business location● Stakeholders● Technology and business● Business legislation (including consumer law and employment law)● The economy (including unemployment, consumer income, inflation, interest rates, tax and exchange rates)● Business growth● Globalisation (including importing and exporting, multinationals and trade blocs such as the EU)● Business ethics● The design mix (function, aesthetics, cost) <p>Year 11 Content</p> <p>Autumn HT1 Knowledge</p> <ul style="list-style-type: none">● The marketing mix:<ul style="list-style-type: none">- Product (including the product life cycle)- Price (including pricing strategies)- Place (including distribution and e-tailers)- Promotion (including advertising, sponsorship, product trials, special offers, branding)● Production processes (including job, batch and flow production)● The impact of technology on cost, productivity, quality and flexibility <p>Autumn HT2 knowledge:</p> <ul style="list-style-type: none">● Working with suppliers● Managing stock (including bar gate graphs and Just in Time)● Managing quality (including quality control and quality assurance)● The sales process● Measures of profit and profitability, including calculation of:<ul style="list-style-type: none">- Gross Profit- Net Profit- Gross Profit Margin- Net Profit Margin- Average Rate of Return● Understanding business performance using charts, financial data, marketing data and market data
