Dear Parents/Carers

Once again today, I have driven around the community and walked the pathways so that I could be clear on the difficulties that students would face on their way to school. As far as I can see, there have been no improvements in the conditions. At present the forecast for tomorrow suggests very low temperatures and therefore I have taken the decision to remain closed tomorrow.

Work will be set for year groups as follows:

Years 7 - 9: Work can be accessed through Edulink.

Years 10, 11, 12 and 13: Please check Edulink where you will find a link to the website where work can be accessed.

If you require your Edulink password to be reset, please contact admin@ob-ac.co.uk.

Alternatively, you can access the website directly without a password:

I want to thank parents and carers for the supportive messages that we have received and appreciate your understanding that this is not a decision that I have taken lightly. We have to keep the safety of students as our number one priority.

The academy will open on Monday 13th January as normal.

Thank you for your ongoing support in these difficult circumstances.

Yours faithfully

Mrs K Evans
Principal
