14th February 2025

Dear Parent/Carer

Halton Borough Council has requested that all schools circulate the letter regarding Ketamine use and its growing prevalence in Halton.

I want to reassure you that we are continually working hard to ensure that students are safe in school.

As part of our Lessons for Life programme students experience a variety of sessions including substance misuse, exploitation and keeping themselves safe. In addition, due to the rising number of concerns in the community, as highlighted by the letter attached, we will be undertaking further projects across the school with a range of external providers supporting us. We will also be offering a Runcorn Community Awareness evening open to parents from all schools. Further details on this will follow.

As always, if you have any concerns please speak to your child's Head of Year in the first instance.

Kind regards

Kathryn Evans
Principal
