5th March 2025

Dear Parents/Carers

As part of our ongoing work around students' safety in the community I am pleased to invite you to our Raising Community Awareness of Student Safety evening on Monday 17th March 5:30pm-6:30pm.

This evening will be an opportunity to hear from external speakers such as CGL "Change, Grow, Live" and Halton Youth Drug & Alcohol Team who will be delivering on the risks of vaping, alcohol, substance misuse and how to keep themselves and others safe. This is an exciting opportunity for parents and other members of the local community to upskill their knowledge and work together cohesively to support our young people and keep the community safe. Light refreshments will be available throughout the evening.

In order to book a place at this event please use Eventbrite: <https://tinyurl.com/OBAAwarenessEvening> or contact main reception on 01928711643.

Kind regards

Kathryn Evans
Principal
