Re: 6th Form Options 2025 – Wednesday 7th May, 6pm

Dear parent/carers

I am aware that your child has chosen our 6th Form as their first choice or back up choice for their Post 16 education. Following on from Mrs Evans letter (dated 12th March 2025), I am writing to invite you and your child to attend a presentation where we can update you on our *provisional* 6th Form options, in line with the changes addressed in the letter for September 2025 onwards.

Our presentation will:

- Outline the different pathways that will be available to your child from September 2025
- Include the entry criteria to access each of these pathways (with subject specific entry criteria where required)
- Include the potential destinations that each pathway may lead to, including university, apprenticeship and employment options
- Other options available to your child if we are no longer a choice for their Post 16 education

During this presentation we will provide you and your child with documentation outlining the above, for you to take home and discuss with them, ready for 1-1 interviews with each student on Thursday 8th May and Friday 9th May. These interviews will be held by SLT and the 6th Form Team to ensure they have the appropriate advice to make an informed decision about their chosen pathway, to support their future career ambition.

Please complete the below link (3 questions) to identify whether you and your child will be able to attend this presentation evening.
