

Sixth Form Student Financial Support (Bursary)

This policy has been created to give guidance on financial support available to students throughout their post 16 studies at Ormiston Bolingbroke Academy 6th Form. A key priority for the Government is to close the gap in attainment between those from less fortunate and more affluent backgrounds.

The purpose of the financial support available to students at our 6th Form is only available to help students with the monetary costs in taking part in post 16 education. This funding is available to the most in need of financial support during this time period.

The costs associated with 6th Form that the bursary can support includes:

- Travel costs to and from 6th Form (depending on distance)
- Equipment needed
- Specialist clothing requirements
- Essential books and stationary

Therefore, if students are successful with their application for any bursary, they may receive paid in-kind rather than in cash. The reason for this is to ensure that students bursary is being spent on the costs associated with attending 6th Form and supporting them with their next steps in education.

In-kind payments may include:

- Free school meals
- Local bus pass
- Equipment/resources
- Educational Trips
- Costs incurred with university, job and apprenticeship open days/interviews

To identify if a student is eligible for any financial support an application process will be conducted. Students should complete an application form which can be gained via the Academy website or the students Form Tutor. This application along with the relevant supporting documentation must be submitted together in order to apply. ***Without the correct evidence requested***, we as an Academy will not be able to process the application.

Eligibility - To be eligible for any financial support through the 16-19 bursary in the academic year 2025-26

Level 2 Bursary – this is a discretionary bursary, awarded to the Academy annually. Although it is awarded yearly this does not guarantee that funding will be available in future years. Students who have a household income of £18000 or less can apply for this bursary for specific educational purposes set out above.
