1. Policy statement and principles

1.1. Policy aims and principles

- 1.1.1. This policy is designed to ensure there is an open and fair admissions procedure for all applicants and to help guide parents and their children through the application process. The academy's admissions arrangements will not disadvantage unfairly, either directly or indirectly, a child from a particular social or racial group, or a child with a disability or special educational needs, and that other academy policies do not discourage parents from applying for a place for their child.
- 1.1.2. This policy details the academy's arrangements for admissions and will apply to all admissions for the academic year 2027 - 2028. This includes in-year admissions within this period.
- 1.1.3. Parents are encouraged to visit the academy with their child if they are planning to apply for a place. We have a number of open days during the year, these will be publicised on our website at www.ormistonbolingbrokeacademy.co.uk. Arrangements for visits outside these dates can be made through the academy office on 01928 711643 or admin@ob-ac.co.uk.
- 1.1.4. Ormiston Academies Trust (OAT) is the admissions authority will consult on the admissions arrangements at least once every seven years or if there are proposed changes to the admission arrangements which require consultation.
- 1.1.5. As the admission authority, OAT delegates the workings of the admissions process to the academy.
- 1.1.6. This policy is consistent with all other policies adopted by OAT / the academy and is written in line with current legislation and guidance.

1.2. Monitoring and review

- 1.2.1. This policy will be reviewed annually or in the following circumstances:
- Changes in legislation and / or government guidance
 - As a result of a major change in circumstances
 - As the result of a decision of an Adjudicator
- 1.2.2. If there are urgent concerns these should be raised to the Principal in the first instance.

2. Academy admissions

- 2.1. The academy admits students between the ages of 11-18. The main intakes are:
- Secondary
 - Sixth form

2.2. We encourage entry at the academy's main intake time so as to aid academic progression without interruption, however, applications are welcome for entry in any year.

2.3. Definitions

2.3.1. The academy uses the following definitions when applying this policy:

2.4. Distance

2.4.1. Students living nearest to the academy measured using an Ordnance Survey address-point system which measures straight line distance in metres from the address point of the academy to the address point of the place of permanent residence.

2.4.2. The above criteria will apply without reference to the Halton Borough Council boundary. Distance will be measured by the LA using the LA's Local Land and Property Gazetteer (LLPG) address point system which measures from the unique address point of the child's permanent address to the unique address point of the school in metres. Where two dwellings have the same front entrance, the closest dwelling to the front door (lower floor and counting clockwise) will be regarded as being closer to the academy.

2.5. Dual address

2.6. Where a child lives with parents with shared responsibility the LA will use the address where the child lives for the majority of the week, e.g. where the child wakes up between Monday and Thursday. Details should be provided to enable the Local Authority to determine which address will be used for admission purposes. If sufficient evidence has been provided, then this address will be used for assigning a criterion to the application. Where there is dispute or equal nights are slept, the address provided for claiming child tax credits or equivalent will be applied to the admission application. In such circumstances, documentary evidence must be provided. It may also be necessary for the Council to carry out checks that the address given is genuine and parents may be requested to produce further documentary evidence of the child's address.

2.7. Siblings

2.7.1. A sibling is defined as:

- A brother or sister (including half brothers or sisters) who shares one or both parents resident in the same household
- A stepbrother or sister where the two children are related by a parent's marriage
- An adopted or foster child living in the same household under the terms of the resident's order
- Another child living in the same household where the adult has parental responsibility

2.7.2. In the case of twins or other children from multiple births (two or more siblings in one year group) and where only one place is available, the application will be considered together as one application and for a relevant year group the Published Admissions Number (PAN) will be increased accordingly.

2.8. Eligibility criteria

- 2.8.1. Entry to the academy is subject to the regulations regarding nationality, residency status and eligibility to study in the United Kingdom.

2.9. Waiting list

- 2.9.1. If the number of applicants exceeds the number of places available, children who have been refused a place will be automatically placed on a waiting list unless there is a specific request that this should not happen. The child may gain entry to the academy if a place becomes available.
- 2.9.2. The academy will maintain a waiting list until 31 December 2027 following the main academy intake. Each added child will require the list to be ranked again in line with the academy's oversubscription criteria in which the application was originally considered. Priority will not be given to children based on the date their application was received or the date when they were added to the list.

2.10. Withdrawal of a place

- 2.10.1. The academy will only withdraw an offer of a place if:
- The place was offered in error
 - Acceptance of the place was not received in a reasonable period of time
 - The offer was obtained through a fraudulent or intentionally misleading application (the academy may request evidence to ensure the child meets the admissions criteria) – if the offer is withdrawn on the basis of misleading information the application will be considered afresh and a right of appeal offered if an offer is refused
- 2.10.2. The academy will not withdraw the place if the student has started at the academy unless the place was obtained fraudulently. If this is the case, then the academy will decide whether to withdraw the place based on the circumstances including the length of time the child has been at the academy.

2.11. Determining arrangements and consultation

- 2.11.1. Admissions arrangements will be determined annually by the academy local governing body, this will happen even if there are no changes from previous years and a consultation is not required.
- 2.11.2. If the academy changes any significant aspect of the admissions procedure, then OAT will be informed prior to making changes and prior to the beginning of the consultation process. Any significant changes proposed by the academy must be approved by OAT.
- 2.11.3. The academy will consult on admissions arrangements when changes to the academy's arrangements are proposed (no consultation is required for an increase in PAN or changes to ensure compliance with the admissions regulations). Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that we must consult on our admission arrangements at least once every seven years, even if there have been no changes during that period.

2.11.4. The academy will publish any consultation for admissions on its website and notify appropriate stakeholders. If there are any substantive responses to the academy's consultation, then these will be sent to OAT. Any subsequent changes will be made in consultation with OAT.

2.11.5. Once the academy's admissions arrangements have been determined it will notify the appropriate bodies and publish a copy of the determined arrangements on its website.

2.12. Admission of children outside their normal age group

2.12.1. Parents may seek a place for their child outside their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. If parents wish to do this they must contact, in the first instance, the Principal, via the Principal's PA. Contact with the academy must be made at the earliest opportunity to avoid any delays in the application process.

2.12.2. The decision whether a child is admitted outside of their normal age group will be made on a case-by-case basis by the academy's local governing body and any decision will be in the best interests of the child concerned. A panel of at least three governors will consider the admission request based on:

- The student's academic development
- The student's social and emotional development
- Views of the parents and principal
- Medical history and/or views of a medical professional, where relevant; and
- Any additional relevant information available

2.12.3. The panel will have to be satisfied that the child would be able to cope with the work of the year applied for **and** that the student would be able to cope with the personal development whilst being with a year group who are of a different age. In order to support any application parents will need to submit evidence to demonstrate that the admission into a different year group is in the best interests of the child.

2.12.4. Once the governing body has made a decision the parent can then apply for admission of their child to the academy using the process detailed in this policy. Where no place is offered, parents have a statutory right to appeal against the refusal of a place however this right does not apply if the child is offered a place at the academy even if it is not in their preferred age group.

2.13. Complaints about admissions arrangements

2.13.1. Any person, or body, can make an objection to the Schools Adjudicator when they consider the academy's arrangements are unlawful, or not in compliance with the School Admissions Code / relevant legislation relating to admissions. The deadline for any such complaint is 15 May in the year before the arrangements are to apply.

2.13.2. Complaints about the appeals panel can be made to the Secretary of State.

3.3.4. All offers of secondary places will be made through the LA. The academy will not contact parents about the outcome of their application until the offer from the local authority has been received. All offers will be made on the secondary national offer day (1 March or the next working day).

3.4. Admissions criteria

3.4.1. Any parent may apply for a place at the academy for their child.

3.4.2. If the number of applications is less than the number of spaces, then all children will be offered places.
